

Learn how to hand sew on a Moley patch

You will need:

1. Pins
2. A needle
3. Some thread
4. A thimble (optional)
5. Scissors

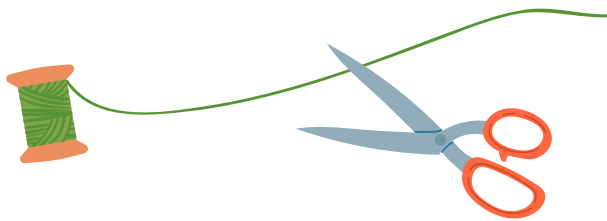

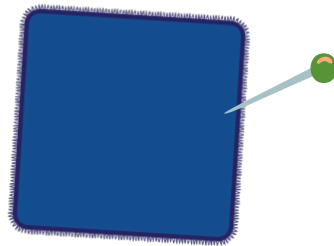

9-step guide

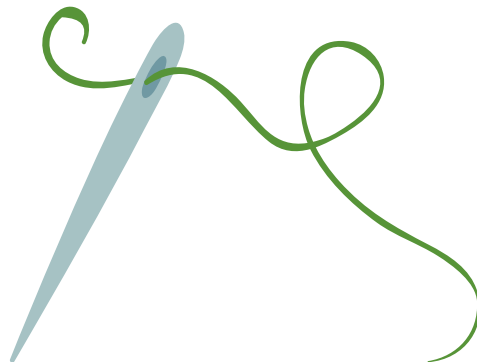

1. Decide where you want to sew your patch

2. Pin through the back of your patch to stop the patch moving

3. Take your thread and cut a length a bit longer than your arm

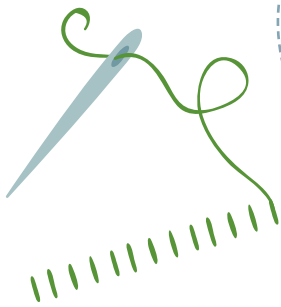

4. Thread the needle by poking thread through the hole at the top

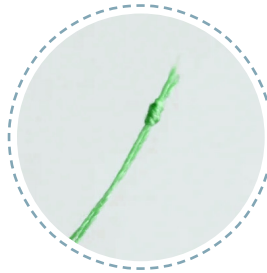

Continued...

5. Take both ends of the thread and tie them together with a knot at the bottom

6. Push the needle through from the back of the patch so the knot is held in place

7. Working around the patch push the needle through the patch and fabric

8. When you have sewn all the way round pull the needle back through to the back of the clothing

9. Make some stitches that make a loop and thread your needle through the loop to make a knot. Then chop the thread

ALL DONE!
